

# Four Walls

## Agathocles

Trapped between  
The four walls  
Constitutions  
And Socials laws  
Being different  
Is not wrong  
Be yourself  
It'll make you strong  
Conformist attack - personality lack  
The four walls - reduces us to dolls  
Compromise?  
With all these lies?  
Society?  
Still not for me!!
