Savior

[30 Seconds To Mars](#)

Until you crash, until you burn
Until you lie, until you learn
Until you see, until you believe
Until you fight, until you fall
Until the end of everything at all
Until you die, until you?re alive
Don?t save me, don?t save me
'Cause I don?t care
Don?t save me, don?t save me
'Cause I don?t care
Until you give, until you?ve used
Until you?re lost, until you lose
Until you see, how could you believe?
Until you?ve lived a thousand times
Until you?ve seen the other side
This is my chance, this is my chance
Don?t save me, don?t save me

'Cause I don?t care
Don?t save me, don?t save me
'Cause I don?t care
Until the truth becomes a lie
Until you change, until you deny
Until you believe
This is my chance, this is my chance
I?ll take it now because I can
This is my chance, I want it now
Don?t save me, don?t save me
'Cause I don?t care
Don?t save me, don?t save me
'Cause I don?t care
Save me, save me
Save me, save me
Save me, save me
I don?t care!
