Piano Fire (OST Life Is Strange)

Sparklehorse

I got sunburnt waiting for the jets to land
Circus people with hairy little hands
Come on boys strike up the army band
I got sunburnt waiting for the jetsHow do you feel?
How do you feel?
I can't seem to see through solid marble eyesFiery pianos wash up on a foggy coast
Squeaky old organs have given up the ghost
Fire them up and kill the pianos
There's creaky old organs burning on the coastHow do you feel?
How do you feel?
I can't seem to breath with a rusted metal heart
I can't seem to see through solid marble eyes
