

# Piano Fire (OST Life Is Strange)

## Sparklehorse

I got sunburnt waiting for the jets to land  
Circus people with hairy little hands  
Come on boys strike up the army band  
I got sunburnt waiting for the jetsHow do you feel?  
How do you feel?  
I can't seem to see through solid marble eyesFiery pianos wash up on a foggy coast  
Squeaky old organs have given up the ghost  
Fire them up and kill the pianos  
There's creaky old organs burning on the coastHow do you feel?  
How do you feel?  
I can't seem to breath with a rusted metal heart  
I can't seem to see through solid marble eyes
