I Walk Alone (Single Version)

Iced Earth

I am your inner fear
Your kind refuse to hear
I am the light
I am the way
But the fallacies of man
Are easy to embraceAnd I, in purest form
I always weather every storm
And though you fail to see
The truth is the path
That leads to me[Chorus]
Mankind's dishonesty
Lays them to waste
I am the truth,
And I walk alone
Human hypocrisy
Exacting their fate
I am the truth,
And I walk aloneThe flaws in your design
Are breeding fear
Inside your mind
And lies lead to disgrace
A failure to reform
The failed human race
