

# Indian Gin And Whiskey Dry

## Bee Gees

All day, all night you feel as if the earth could fly  
Three more all for fine Indian Gin and whiskey dry  
Fine Indian Gin and whiskey dry  
Small town , closed downthere's nowhere else around to try  
Disturbingly a voice would cry  
"Go home, no loan, You'll have your gin and whiskey dry  
You'll have your gin and whiskey dry"  
Four ten, four men lining up for their handy brandy  
All's gone, you're none, came the bartender's reply  
But I've tried and I'm tied to Indian Gin and whiskey dry  
To Indian Gin and whiskey dry  
To Indian Gin and whiskey dry  
To Indian Gin and whiskey dry  
To Indian Gin and whiskey dry
