The Cage

Travis

You broke the bread You drank the wine Your lip was bleedin' but it was fine Come on inside, babe, across the line I love you more than IBut then this bird just flew away She was never meant to stay Or to keep her caged would just delay the springYou broke your word Now that's a lie We had a deal that you would try Come on inside, girl, I think it's time High time we drew the lineBut then this bird just flew away While I looked the other way Or to keep her caged would just delay the springYou broke my soul, dear You stole the plot You left an empty shot But there's nothin' left here 'cos you took the lot An empty cage is all I've got'Cos when your bird has flown away She was never meant to stay
