

# I'll Be Leaving Alone

Dickey Lee

Yes I'll buy you a drink if you'd like me to I might even dance a slow one with you  
Lord knows you're a looker and honey what's more  
It's not hard to see what you're looking for  
You're as tempting a woman as I've ever seen  
But there's someone in Tulsa who's trusting in me  
She's the mother of my children I'm the rock she leans on  
So thank you but no thank you I'll be leaving alone As we dance in the shadows you're holding me tight  
I can feel the invitation I see in your eyes  
And the soft light and the music and the wine's rosy glow  
Ain't making it easy for me to say no  
Cause you're as tempting a woman Thank you but no thank you I'll be leaving alone
