

Love Is A Beautiful Thing

Shirma Rouse, Kim Hoorweg

 Been so long since I met you
 And all the changes we've been through
 And all this time I can't forget you
 Everywhere I turn I think of you
 And I wanna love ya, baby
 And you are all I need
 Soul to soul, fire to fire
 Nothing's like this hearts desire
 Love is a beautiful thing
 One to one, you and me
 Maybe it's our destiny
 'Cause love is a beautiful thing
 It's so beautiful, beautiful
 Love is such a sweet emotion
 I want to share it all with you
 Your trust and, and this devotion
 There ain't nothing in this world we can't do
 Tonight, I want to thank, thank you, baby
 And you make my life complete
 Soul to soul, fire to fire
 Nothing's like this hearts desire
 Love is a beautiful thing
 One to one, you and me
 Maybe it's our destiny
 'Cause love is a beautiful thing
 It's so beautiful, beautiful
 Somebody raise your hand now, yeah
 Ooh, no, no, no, no, no
 And I, I wanna thank you, baby
 And you, you're all I need
 Soul to soul, fire to fire
 Nothing's like this hearts desire
 Love is a beautiful thing
 One to one, you and me
 Maybe it's our destiny
 'Cause love is a beautiful thing
 It's so beautiful, beautiful
 Stay together through thick and thin
 Now I know I've got a friend

Love is a beautiful thing
Face our fears through the years, there's no tears
Oh, love is a beautiful thing
Soul to soul, fire to fire
Nothing like this hearts desire
'Cause love is a beautiful thing
