

# Bargain of a Century

[Albert Hammond, Jr.](#)

It seems it's been such a long time  
Since I've been asking for  
What did you say, was this your down time  
Or can I trace it to go home? It's been, it's been such a long time  
There's no words for this I see  
My time has come and you will rescue me  
Some new place I said from this place I've been
