Style

Charles Bukowski

Style is the answer to everything.Fresh way to approach a dull or dangerous day.To do a dull thing with style is preferable to doing aDangerous thing without style.To do a dangerous thing with style, is what I call art.Bullfighting can be an art.Boxing can be an art.Loving can be an art.Opening a can of sardines can be an art.Not many have style.
Not many can keep style.I have seen dogs with more style than men.Although not many dogs have style.Cats have it with abundance.When Hemingway put his brains to the wall with aShotgun, that was style.For sometimes people give you style.Joan of Arc had style.John the Baptist.Jesus.Socrates.Caesar.GarcÃ-a Lorca.I have met men in jail with style.I have met more men in jail with style than men out ofJail.Style is a difference, a way of doing, a way of being
Done.Six herons standing quietly in a pool of water, or you,WalkingOut of the bathroom without seeing me.
