

# Ship Goes Down

## Walking On Cars

Well it looks like it's happening  
They're tying rockets to my shoe string  
Know that timing, it isn't perfect  
But I promise it will be worth itSo take my heart for the weekend  
Take my heart for the night  
And take my heart for the weekend  
And take it all through your lifeOh, if the ship goes down  
Then I'm going down with it  
Oh, if it hits the ground  
I'll be laying next to it  
Oh, if the ship goes down  
Then I'm going down with it  
Yeah I'm going down, I'm going down  
I'm going down with itI made a promise to myself  
Imagine being like anyone else  
I understand that people may hate me  
But all of that's okay with meSo take my heart for the weekend  
Take my heart for the night  
And take my heart for the weekend  
And take it all through your lifeOh, if the ship goes down  
Then I'm going down with it  
Oh, if it hits the ground  
I'll be laying next to it  
Oh if the ship goes down  
Then I'm going down with it  
I'm going down, I'm going down  
I'm going down with itI'm going down with it  
I'm going down with it  
I'm going down with it  
I'm going going down  
I'm going down with itOh, if the ship goes down  
Then I'm going down with it  
Oh, if it hits the ground  
I'll be laying next to it  
Oh, if the ship goes down  
Then I'm going down with it  
Yeah I'm going down, I'm going down  
I'm going down with itNow all we did for this  
All we did for me

All we did for this  
All we did for youOh, if the ship goes down  
Then I'm going down with it  
Yeah I'm going down, I'm going down  
I'm going down with it
