

Everything (feat. John Legend)

Ella Mai

[Ella Mai:]

I'd be lying if I say I never really cared how
I step out the bed
You notice my perfume and tell me I'm perfect
Oh, you're so deserving
Baby, you're worth it
I could tell I'm your focus
I'm all on your mind and I know it
Even when I'm off, boy, you on it
Sometimes you might talk but you show me
Love the way you pay attention You notice everything
So I give my everything
My pain and my struggle
My friend and my lover
I put that on everything
Feels like a forever thing
Yeah, you take my everything
So we can have everything
Yeah, we gon' have everything [John Legend:]
Yeah, never been good at trusting
But there's something 'bout you I'm in love with
I say that I'm fine but you know that I'm lying
You read between all the lines Love the way you pay attention
[Ella Mai & John Legend:]
You notice everything
So I give my everything
My pain and my struggle
My friend and my lover
I put that on everything
Feels like a forever thing
Yeah, you take my everything
So we can have everything
Yeah, we gon' have everything Oh, anything I give you take it
All I know is you been so patient, oh, yeah
My young heart, boy, you'll never break it
And I owe it all to you, hey [Ella Mai:]
Love the way you pay attention [Ella Mai & John Legend:]
You notice everything
So I give my everything

My pain and my struggle
My friend and my lover
I put that on everything, oh, I, yeah, yeah
Feels like a forever thing
Yeah, you take my everything
So we can have everything
Yeah, we gon' have everything
We gon' have everything, yeah Oh, yeah, yeah
We gon' have everything
We gon' have everything
Oh, I, I
Oh, yeah, yeah
Yeah, yeah

We gon' have everything[Ella Mai:]

A, assertive, having or showing a confident, forceful personality
