

Your Woman Has Just Been Sighted (ring The Alarm)

Nate Dogg

Come on, dance with me baby girl
Dance with me baby girl
Come on, dance with me baby girl
Dance with me baby girl
Man I was dancing, prancing, laughing, bouncing, swinging
Moving, grooving, 'cause the music's booming
Macking, tryna get some action, packing, acting
Manish, drinking, tweaking, winking, peeping
Seeking a freak for the evening, really feeling way too horny
Reaking from the weed I'm token
Choking, smoking, real doping, hoping
My nights wide open, knowing that my girls at home and
Snoring, boring, ignoring, warning that my girl was coming
Sudden mood interruption, busted my girls in the club
Ring the alarm, your woman has just been sighted
Ring the alarm, how'd she get in if she wasn't invited?
Ring the alarm, she's headed this way like lighting
Ring the alarm, I'm not tryna be ducking and dodgin', ring the alarm
I'm headed, top speed for the exit
Damn it don piece can't grab it
Habit like chasing my cabbage
Magic, time to disappear fast with
This chick, who I slept last week with
Real trick, I like her 'cause she real slick
Let's dip, I don't care who you came with
No lip, got no time for some bullshit
She went, that she all in the back pen
Time spent, now it's time to hit the pavement
Two sense, got no time for your comments
Don't trip, do you know where my girl went?
Ring the alarm, your woman has just been sighted
Ring the alarm, how'd she get in if she wasn't invited?
Ring the alarm, she's headed this way like lighting
Ring the alarm, I'm not tryna be ducking and dodgin', ring the alarm
Listen, I'm in the club, no where I ain't even suppose to be
Drinking with a girl all close to me
I'm all up in the air, telling her some super fly shit she need to hear
Thinking can't nobody see us 'cause we in the rear
All I'm tryna do is get a number then I'm up out of here

'Cause my girl ain't home, she out with a friend
It be just my luck this the spot they in
Not the place for her to spot me in
You know specially when I'm suppose to be at the studio
I take one step, what do I see my girl coming threw the door
But she don't see me, now I'm ducking, now I'm dodging, hiding
Praying to God that she don't come find me, what was I thinking of
I should of never parked my car in front of the club damn
Ring the alarm, your woman has just been sighted
Ring the alarm, how'd she get in if she wasn't invited?
Ring the alarm, she's headed this way like lighting
Ring the alarm, I'm not tryna be ducking and dodgin', ring the alarm
Ring the alarm, your woman has just been sighted
Ring the alarm, how'd she get in if she wasn't invited?
Ring the alarm, she's headed this way like lighting
Ring the alarm, I'm not tryna be ducking and dodgin', ring the alarm
Ring the alarm, your woman has just been sighted
Ring the alarm, how'd she get in if she wasn't invited?
Ring the alarm, she's headed this way like lighting
Ring the alarm, I'm not tryna be ducking and dodgin', ring the alarm
