Christmas Time Again

Amely

It's Christmas time again
Can't wait to hear those sleigh bells ringin'
It's Christmas time again
Can't wait to hear those sleigh bells ringin'
Its kinda cold outside but its alright
'Cause its Christmas time
So let the snow begin to decorate the city
Christmas time is oh so pretty, I love
It's Christmas time again
Can't wait to hear those sleigh bells ringin'
It's Christmas time again
Can't wait to hear those sleigh bells ringin'
The house is filled with cheer 'cause we're all here
Tryna guess what gifts we got this year
The kids can't wait to see
If Santa left a shiny box underneath the Christmas tree
It's Christmas time again
Can't wait to hear those sleigh bells ringin'
It's Christmas time again
Can't wait to hear those sleigh bells ringin'
It's Christmas time again
Can't wait to hear those sleigh bells ringin'
It's Christmas time again
Can't wait to hear those sleigh bells ringin'
I remember the first time I made Christmas cookies at Aunt MeMe's
Me and my cousin Sha stayed up all night to put the icin' on
And then everybody came over 'cause MeMe cooked and baked pies
And all my Mom and Dad brought was two gallons of ice-cream
That is what I remember about Christmas
It's Christmas time again
Can't wait to hear those sleigh bells ringin'
It's Christmas time again
Can't wait to hear those sleigh bells ringin'
It's Christmas time again
Can't wait to hear those sleigh bells ringin'
It's Christmas time again
Can't wait to hear those sleigh bells ringin'
