

# Never Enough

Mudvayne

My legs are weary but I still walk  
My hands are sore and broken but I still clutch  
My heart is jaded but I still love  
My cup is empty but I still pour  
All I ever wanna be, all I ever needed be  
Was whatever you wanted me to  
But you took that from me, yeah  
I was never enough for you  
I should have known, I should've known  
I was never enough for you  
Don't waste my time, don't waste my  
I lost the feeling but I still touch  
I stopped believing but I still trust  
All I ever want to be, all I ever needed be  
Was whatever you wanted me to  
But you took that from me, yeah  
I was never enough for you  
I should have known, I should've known  
I was never enough for you  
Don't waste my time  
All these questions asking why  
I'll just close my eyes, my eyes  
All these people, asking why  
I'll just wave goodbye, goodbye  
Time pushin' forward  
I'm sick and tired, need a little shelter  
Drag the glass across my eyes  
Cut me open, cut me wide  
Bleed me for the winner, just tear it away  
I was never enough for you  
I should have known, I should've known  
I was never enough for you  
Don't waste my time  
I was never enough for you  
Just wastin' my time  
Don't waste mine
