

# The Heart Wants What It Wants

## KIDZ BOP Kids

(What the heart wants)  
(What the heart wants)  
(What the heart wants) You got me wishing I'm something  
I can't compare to nothing  
I've ever known, I'm hoping  
That after this fever I'll survive  
I know I'm acting a bit crazy  
Left out, a little bit hazy  
Hand over heart, I'm praying  
That I'm gonna make it out alive The world's getting cold and you're not here  
The future that we hold is so unclear  
But I'm not alive until you call  
And I'll bet the odds against it all  
Save your advice 'cause I won't hear  
You might be right but I don't care  
There's a million reasons why I should give you up  
But the heart wants what it wants  
The heart wants what it wants You got me scattered in pieces  
Shining like stars and screaming  
Lighting me up like Venus  
But then you disappear and make me wait  
And every second's like torture  
World couldn't take no more so  
Finding a way to let go  
Baby, baby, no I can't escape The world's getting cold and you're not here  
The future that we hold is so unclear  
But I'm not alive until you call  
And I'll bet the odds against it all  
Save your advice 'cause I won't hear  
You might be right but I don't care  
There's a million reasons why I should give you up  
But the heart wants what it wants  
The heart wants what it wants  
The heart wants what it wants  
The heart wants what it wants This is a modern fairy tale  
No happy endings  
No wind in our sails  
But I can't imagine a life without  
Breathless moments

Breaking me down, down, down, down  
The world's getting cold and you're not here  
The future that we hold is so unclear  
But I'm not alive until you call  
And I'll bet the odds against it all  
Save your advice 'cause I won't hear  
You might be right but I don't care  
There's a million reasons why I should give you up  
But the heart wants what it wants  
The heart wants what it wants  
The heart wants what it wants  
The heart wants what it wants  
The heart wants what it wants, baby  
It wants what it wants, baby  
It wants what it wants  
It wants what it wants  
The heart wants what it wants, baby  
It wants what it wants
