

# Nas Is Coming

Nas

The Golden Child chop that ass up, you was holding out  
Let the streets be the court and corners hold the trial  
Fatal not fictitious  
I rock the cable 86 shit  
Foreign cars young with crazy bitches  
Mad smoke makes me able to quote  
Soliciting ill editions of that Murder I Wrote  
A provocative plan can bring a knot to my hand  
As the pyramids that stand on top of the sand  
In the heat of the moment, like Farrakhan said we need atonement  
Bulletproof glass, S-classes chrome kitted up  
Calicones lit it up  
I didn't get touched checking my nuts  
I stood up and lit a Dutch  
Clutching gats quick to bust  
But knowing how these niggas tattle  
I sneak move get the drop, one shot without the gun battle  
So when you run the lead travel  
I come through it's taboo  
Ninety-six ways made to clap youNas is coming  
Nas is coming  
Nas is coming  
Nasty Nas is coming  
Nas is coming  
Nas is coming  
Nas is coming  
Nas is coming  
Nasty Nas is coming  
Nas is comingIn the black limo, Jack Daniels through the cracked window  
I spot the fake, red dot his face like a Hindu  
Snatched the symbol, tied his hands to make examples  
Substantial amounts you owe to the fam  
Crew, Firm affiliation, paper chasing  
Chips glossy, rich Pablo Escabano  
Sophisticado, blazing hollows like Saddles  
Rap apostle, nacho cheese, I'm Castro  
Compared to these niggas who swear to be real  
But impostors to Hoffa  
Nas plague kills

Counting bills to send to all my jail niggas who fell  
 From New York to LA, QB to CPT for GP  
 A hundred G cars  
 Garcia Vegas cigars  
 Kani shit, mad jiggy  
 The clout, murder material serial scratched out  
 My name's passed out like it's something venereal  
 But back in stereo Nas is coming  
 Nas is coming  
 Nas is coming  
 Nasty Nas is coming  
 Nas is coming  
 Nas is coming  
 Nas is coming  
 Nas is coming  
 Nasty Nas is coming  
 Nas is coming From childbirth to hearses, flow like the Nile cover surface  
 I bit the fruit from the Serpent  
 Apocalyptic, get bent stay splifted  
 Control the rap game you got it twisted  
 Dr. Dre way the Bridge say, shake dice and kiss it  
 Sip Crist' push the six with biscuit  
 Jeep full of chickens, pull up beside, have a listen y'all Nas y'all  
 Fly gangsta wavy hair teeth chipped in  
 My shit bump in the courtroom drunk, links truck  
 Rocky bracelet cognac kernel never chase it  
 Rap hero black DeNiro  
 Federal Bureau tapped my line and got zero  
 Rap pro diamond roll, hustling low  
 Pro-file white gold style, raking bloody dough by the pile  
 Shot down still alive he struggling for the phone  
 Fo-fo blow him, when homicide comes, these three words are sung Nas is coming  
 Nas is coming  
 Nas is coming  
 Nasty Nas is coming  
 Nas is coming  
 Nas is coming  
 Nas is coming

East meets West  
That's how we making it happen  
That's how it goes down for the nine-six  
Aiyyo Nas let's get this money  
Let's get paid  
Sit back and watch all these motherfucking clowns out here  
Riffing and beefing about this bullshit  
Yo while they doing all that  
We just gon' kick back with these honeys  
This Cristal and party to the year 2G Nas is coming  
Nas is coming  
Nas is coming
