When You Grow

Bernard Butler

When car lights flash in your face,
your kind heart will give you away.
Don't keep us apart, don't lead us astray,
don't leave it too late.
When darkness keeps you awake,
and demons lead you astray,
don't keep us apart, don't leave it too late,
don't you take this away.
And when you grow, I'll give you away,
I'll lead you my way, I'll shield you from pain.
And when you're low, I'll see that you're safe,
I'll shield you from pain.
When God's love gets in your way,
remember child how you were made.
Don't keep us apart, don't lead us astray,
don't you leave it too late.
And behind this explanation lies the sweetest inspiration
it won't keep us apart, it won't lead us astray,
I'll keep the demons at bay.
And when you grow, I'll give you a way,
I'll lead you my way, I'll shield you from pain.
And when you're low, I'll see that you're safe,
I'll shield you from pain.
