Cryptik Souls Crew

Len

Hello everybody and how do you do?
Gonna rock shock your body, we're the cryptik souls crew
Rock rock to the beat y'all, rock rock to the beat y'all
Hello everybody and how do you do?
Gonna rock shock your body, we're the cryptik souls crew
Rock rock to the beat y'all, rock rock to the beat y'allIt's the O-B-E, the O the N-E
Yes the man that you think of
And when I step inside the place to be
All the ladies fall in loveAnd I'm the V-A-N-D-A the L
And I would like to mention
That T-dot city is the place we dwell
We came to party with no tensionWell it's the A-B-D-O-M-I-N
A-A-A, L-L-L
That's the abdominal quite obvious
'Cause I trust you know how to spellWho's that cryptik souls cat that's known to get live
You transform my name to numbers it'd be one-three-five
Nine-eleven-nineteen, stepping on your scene
A sicks knows basics shine like afro-sheenClean out your ears and ya open your eyes
To see K-N-G, C-S-C coming alive in 3-D
I'm the man who you wanna be
But defeating is an impossibilityHello everybody and how do you do?
Gonna rock shock your body, we're the cryptik souls crew
Rock rock to the beat y'all, rock rock to the beat y'all
Hello everybody and how do you do?
Gonna rock shock your body, we're the cryptik souls crew
Rock rock to the beat y'all, rock rock to the beat y'allWell it's the M-O-K-A, the O-N-L-Y
I really couldn't tell you why I'm flowing so fly
I guess it's for the fact I got the gift of gabb
To bring the party people something they never done hadWhen D-sisive came to rock the mega-city got scared
Because I came with clinched fists and my nostrils flared
But when I dropped my first rhyme, I automatically declared
That I could take the city out without the hardcore stareI'm S-Y-M-B-O-L-I-K
And if you didn't come to party then holla may-day
K-paint a picture stroke by stroke in ya frame
C-K Flow, yeah that is my nameWell I go by the title of the name D-rock
'N dis here recital's guaranteed not stopping
I got a whole bunch of brothers from around my block
And it's a sure shock that we stay on topIt's the planet-P here to keep it live
And I'm also known as Kudu-5

When my crew is in the place we take control
Now you're being captivated by the cryptik soulsGet funky with itHello everybody and how do you do?
Gonna rock shock your body, we're the cryptik souls crew
Rock rock to the beat y'all, rock rock to the beat y'all
Hello everybody and how do you do?
Gonna rock shock your body, we're the cryptik souls crew
Rock rock to the beat y'all, rock rock to the beat y'allGet funky with it
This is it right here
