

# Lovin' You, Baby

Charles Bradley

Loving you baby  
When you're holding me, baby  
I feel so real  
When you're kissing me, baby  
Oh, it feels so real  
Oh Oh Baby  
I, all my life I been searching for love  
Mourning for love, giving everything I know  
Oh, oh oh baby  
When you touch me, baby  
My heart skips a beat  
Loving you baby  
Has meant everything to me  
Oh, baby oh baby  
Everything to me  
Every night when I look into your face  
I know baby, I know it's you  
That makes my life complete  
Wanting you, baby  
Oh I can't get enough of you baby  
Can't get enough of you  
I was crying when I felt your love  
This time i know it's real baby  
Ohh  
No More Bad dreams baby  
No more afraid to open the door and let you in  
Lovin you bab  
Needin You baby  
But I feel so real  
When you're holding me baby  
When you're needing me baby  
Every night when I look into your face  
I know its you that makes my life complete  
Oh Baby baby  
I'm gonna love you baby  
No matter what it takes  
It's you and e all the way  
For the rest of my life  
I lovee you baby

There's no one above you  
You know when you love someone so deeply  
When you feel it in your heart...
