

Give In To Me

Bananarama

Give, give in to me
Give in, give in, give in, give in to me
Oh, my love give me your body
Talk to me, tell me you want me
Come to me now open your mind
Secrets we'll share with each other
These moments we should keep
Locked forever in our sleep
Kiss, promise left untrue
Nothing here but me and you
Give, give in to me
Give in, give in, give in, give in to me
Can't you hear softly I'm calling
Lay with me I'll show you the morning
Violet to blue I think of you
Whispering softly you want me
These moments we should keep
Locked forever in our sleep
Kiss, promise left untrue
Nothing here but me and you
Give, give in to me
Give in, give in, give in, give in to me
Give, give in to me
Give in, give in, give in, give in to me
These moments we should keep
Locked forever in our sleep
Kiss, promise left untrue
Nothing here but me and you
Give, give in to me
Give in, give in, give in, give in to me
Give, give in to me
Give in, give in, give in, give in to me
Give, give in to me
Give in, give in, give in, give in to me
Give, give in to me
Give in, give in, give in, give in to me
Give, give in to me
