

True Affection

Father John Misty

When can we talk with a face instead of using all these strange devices?

Seems like you and I need to have a crazy conversation.

Wouldn't be that hard. Get along so well.

Sentence by sentence. It's a trial run, let me show you how.

Figure I can give you true affection. True affection.

True affection.

True affection. When can we talk with a face, instead of using all these strange devices?

Seems like you and I need to have a crazy conversation.

When can we talk with a face? Figure I can give you true affection.

Seems like you and I need to have a crazy conversation.

When can we talk with a face? Figure I can give you true affection.
