Rock Therapy

Stray Cats

Well, I don't need a doctor I don't need a pill
Anything you give me babe will only make me ill
I need rock therapy
I need rock therapy
I need rock therapy
Oh give it to me
Oh give it to me
Oh give it to me
Well I don't need vitamins
They don't stand a chance
Swinging with my baby doing a rock and roll dance
I need rock therapy
I need rock therapy
I need rock therapy
Oh give it to me
Oh give it to me
Oh give it to me
Well, I don't need a doctor I don't need a nurse
Anything you give me babe will only make me worse
I need rock therapy
I need rock therapy
I need rock therapy
Oh give it to me
Oh give it to me
Oh give it to me
Well, I don't need a doctor I don't need a pill
Anything you give me babe will only make me ill
I need rock therapy
I need rock therapy
I need rock therapy
Oh give it to me
Oh give it to me
Oh give it to me
Well rock rock rock therapy
Rock rock rock therapy
Rock rock rock therapy
Rock rock rock therapy
Rock rock rock therapy
