

Baby I'm a Leavin' You

Journey

You know that my heart is true
And I never lie to you
We try each and everyday
Still there's something in the way I like moonlight, simple things
Now you want a diamond ring
I got news for you
Baby I'm leaving you We both want a love that last
Girl you're moving away too fast
I live for your fantasy
A real love is what I need Let me tell you girl
I hear what you say, I see what you're doing girl
I don't wanna play
We're livin' in two different worlds
