

Sundown

American Juniors

Sundown
Friday twilight in the big town
Party people getting ready now
Somewhere, baby
I know your waiting, the city's vibrating
The city's in a heatwave
Praying for the sun shade
Hoping that the evening will chill down the streets
And I'm a little hot too
'Cause I can only think of you
Hoping that tonight you'll find out what I like
Sundown
Friday twilight in the big town
Party people getting ready now
Somewhere, baby
I know your waiting, the city's vibrating
Sundown
Air gets cooler but my heart pounds
Loud and fast, I'm getting ready now
Somewhere, baby
I know your waiting, the city's vibrating
I don't know if you see me
Don't know if you are dreaming
Hoping for someone who can show you who you are
Tonight I'm going to find you
(Find you)
Flying on a breeze and blind you
(Blind you)
Take you from this club land and send us to the stars
Sundown
Friday twilight in the big town
Party people getting ready now
Somewhere, baby
I know your waiting, the city's vibrating
Sundown
(Sundown)
Air gets cooler but my heart pounds
(Yeah)
Loud and fast, I'm getting ready now

(Ready now)
Somewhere, baby
I know your waiting, the city's vibrating
Bring back, back and forth, uh yeah, yeah
Time don't need to rush, we can make it right
'Cause we are meant to be, you and I
It's in the air we breathe all around, all around
Say you're longing too, 'cause I will look for you at
Sundown
(Sundown)
Friday twilight in the big town
(Friday)
Party people getting ready now
(Gettin' ready now)
Somewhere, baby
I know your waiting, the city's vibrating
(Sundown)
Sundown
Air gets cooler but my heart pounds
(Yeah, you know, you know)
Loud and fast, I'm getting ready now
(I'm getting ready now)
Somewhere, baby
(Baby, baby)
I know your waiting, the city's vibrating
(City's vibrating)
Sundown
Friday twilight in the big town
(Sundown)
Party people getting ready now
(Ooh yeah)
Somewhere, baby
I know your waiting, the city's vibrating
