Move Over Darling

Tracey Ullman

Our lips shouldn't touch
Move over darling
I like it too much
Move over darling
That gleam in your eyes is no big surprise anymore
Cos you fooled me before

I'm all in a spin
Move over darling
I've got to give in
Move over darling
And though it's not right, I'm too weak to fight it somehow
Cos I want you right now

The way you sigh, has me waving my conscience bye-bye
You can call me a fickle thing
But I'm practically yours forever, because

I yearn to be kissed
Move over darling
How can I resist
Move over darling
You captured my heart, and now that I'm no longer free
Make love to me

The way you sigh
Has me waving my conscience good-bye
You can call me a fickle thing
But I'm practically yours forever, because

I yearn to be kissed
Move over darling
How can I resist
Move over darling
Please give me your love, I'm longing for you
I need all your love, honest I do
You captured my heart and now that I'm no longer free

Make love to me
