Erykah Badu

No, you won't be namin' no buildings after me
To go down dilapidated, ooh
No, you won't be namin' no buildings after me
My name will be mistated, surelyThis world done changed
So much, yeah yeah
This world done changed
Since I been consciousThis world done changed
So much, yeah yeah
This world done changed
Since I been consciousOh, what in the world will we do?
Will we ever make it, yeah?
And, oh no, it ain't right, no
Oh, is it in your plan?Say, I won't be namin' no buildings after me
To go down dilapidated, no
No, you won't be namin' no buildings after me
My name won't be mistated, surely
Surely, yeah
Surely, surelySurely
Oh yeah
Oh yeahOh, oh
Oh, ohOh, nothing, nothing, baby
Baby, no, no, no, no, no
Aye, baby, baby, baby, babyOh
Oh
OhNo, you won't be namin' no buildings after me
To go down dilapidated, no
No you won't be namin' no buildings after me
My name will be mistated, surely
Surely, yeah, yeah
Mmm, ooh
