

# Journey To Beautiful

## The Jackie Boyz

I try to be everything  
I try to be... one  
Crying this tears of a clown  
The show it's over  
If there is still... take  
I am finding out who I am  
Who I am inside  
And it keeps getting better  
I live every moment  
Cause I know where I am going  
Knowing that I will find my way

[Chorus:]

I don't mind if the road is difficult  
I don't mind if it's me or...  
So many places I need to go  
And that is the journey to beautiful  
Beautiful beautiful  
Journey to beautiful

Everyone finds their way  
It's never quit the same  
If you take the look inside  
Is calling calling calling  
Will you leave every moment  
Know just where you going  
Bet you're gonna find some...

[Chorus:]

I don't mind if the road is difficult  
I don't mind if it's me or...  
So many places I need to go  
And that is the journey to beautiful  
Beautiful beautiful  
Beautiful beautiful  
Beautiful beautiful  
Beautiful beautiful  
Journey to beautiful

I am fighter...

I will keep holding on  
Hold my head up  
Let my... out  
Speaking from the soul

Beautiful beautiful  
Beautiful beautiful  
Beautiful beautiful  
Beautiful beautiful  
Journey to beautiful

[Chorus:]

I don't mind if the road is difficult  
I don't mind if it's me or...  
So many places I need to go  
And that is the journey to beautiful  
Beautiful beautiful  
Beautiful beautiful  
Beautiful beautiful  
Beautiful beautiful  
Journey to beautiful

This is my journey to beautiful
