

Run to You (feat. Meron Ryan)

Summer Was Fun

I see the looking in your eyes,
I just gotta have you by my side,
I swear I feel alive,
Something about us is feel so right And then all of you and me can last forever,
Mm, in the end I'm telling you it's now or never,
So, lead the way, and I'll follow you,
Want you lead the way, and I'll Run To You I'll Run To You (2x) I'll Run To You (To You (2x)) [2x]
I'll Run To You
I'll Run To You (To You (2x))
I'll Run To You All we have is tonight,
We can set this world on fire,
Rebels of the night,
There's nothin' better than you and I And then all of you and me can last forever,
Mm, in the end I'm telling you it's now or never,
So, lead the way, and I'll follow you,
Want you lead the way, and I'll Run To You I'll Run To You (2x) I'll Run To You (To You (2x)) [2x]
I'll Run To You
I'll Run To You (To You (2x))
I'll Run To You I'll Run To You
