

# King of Dreams

## Company Of Thieves

You came along, you came along  
Ooh-la  
Wanting a whole lot of money, wanting a whole lot of fame  
You're looking strong, walking tall  
Ooh-la  
Chalking a whole lot of numbers, dropping a whole lot of name  
You came along, a Christian son  
Ooh-la  
Digging a whole lot of gold, raising a whole lot of game  
You rambled on and said it all  
Ooh-la  
Ohh-la, la la In the wake of ridicule with your arms raised  
You'll blame it on the other man  
Was a monster in his day  
Born to take the weight You came along, you came along  
Ooh-la  
Wanting a whole lot of money, wanting a whole lot of fame  
You're looking strong, walking tall  
Ooh-la  
Chalking a whole lot of numbers, dropping a whole lot of name  
You rambled on and said it all  
Ooh-la  
Ohh-la, la la In the wake of ridicule with your arms raised  
You'll blame it on the other man  
Was a monster in his day  
(he was) Born to take the weight Here now- ooh look who's on display  
Ooh a lion in a cage  
Yes sir, a rebel in his day
