Taunting The Notorious

Symphony X

Don't give me reasons
Why you spread your disease like aplagueCaught up in treason
A faith that's misleading and vagueIt's so sad our world is breaking down
Feeling desires, desires are set in my mindYour corrupted ways
My sarcastic daze
Parasites infecting us
Savage and notoriousLost in the kingdom
Kingdom of pain and my spite
Whirlwind of power
Power controlling my mindIt's so sad our world is breaking down
Feeling desires, desires are set in my mindYour corrupted ways
My sarcastic daze
Parasites infecting us
Savage and notoriousYour corrupted ways
My sarcastic daze
Parasites infecting us
Savage and notoriousYour corrupted ways
My sarcastic daze
Parasites infecting us
Savage and notorious
