Breathe Into Me

Red

And this is how it feels when I ignore the words you spoke to me
And this is where I lose myself when I keep running away from you
And this is who I am when, when I don't know myself anymore
And this is what I choose when it's all left up to meBreathe your life into me, I can feel you
I'm falling, falling faster

Breathe your life into me, I still need you I'm falling, fallingBreathe into me

Breathe into meAnd this is how it looks when I am standing on the edge And this is how I break apart when I finally hit the ground

And this is how it hurts when I pretend I don't feel any pain

And this is how I disappear when I throw myself awayBreathe your life into me, I can feel you

I'm falling, falling faster

Breathe your life into me, I still need you I'm falling, fallingBreathe into me

Breathe into me

Breathe into me

Breathe into meBreathe your life into me, I can feel you

I'm falling, falling faster

Breathe your life into me, I still need you

I'm falling, falling, breathe into meBreathe your life into me

I'm falling, falling faster

Breathe your life into me

Falling, falling, fallingBreathe into me

Breathe into me

Breathe into me

Breathe into me, breathe
