

Kicking And Screaming

Ashlee Simpson

Don't keep me waiting, anticipating
Treating me like a fool
I got news for you I'm turning my back
I'm dropping a bomb on you
You want me, you need me
Believe me, you'll be callin'
You love me, you hate me
Believe me, you'll come crawlin'
So get down and get off
Let me show you what you'll be missing
We break up, you break down
Gonna drag you through this kicking and screaming
Don't keep me guessing your favorite obsession
Don't get me a lame excuse
Is it me that you're messing
It's the same old confession
You're the one with something to lose
Watch out now a blackout
There's no doubt you can't have it
Control you I'll own you
I'll show you, but you still can't have it
So get down and get off
Let me show you what you'll be missing
We break up, you break down
Gonna drag you through this kicking and screaming

So get down and get off
You're not the only one that I've been missing
We break up, you break down
Gonna drag you through this kicking and screaming
You'll be kicking and screaming
You'll be kicking and screaming
But I'm so deceiving, you'll be kicking and screaming
Watch out now you'll find out you'll cry out
There's no one above me
I play hard don't run far
Come back now, I really do like you
So get down and get off
Let me show you what you'll be missing

We break up, you break down
Gonna drag you through this kicking and screaming
So get down and get off
You're not the only one that I've been missing
We break up, you break down
Gonna drag you through this kicking and screaming
You'll be kicking and screaming
You'll be kicking and screaming
Kicking and screaming
Kicking and screaming
