

Now You're Gone

Everyday Sunday

Now you're gone
I realize my love for you was strong
and I miss you here, now you're gone
I keep waiting here by the phone
With your pictures hanging on the wall

Now you're gone
I realize my love for you was strong
And I miss you here, now you're gone
I keep waiting here by the phone
With your pictures hanging on the wall
Is this the way it's meant to be
Only dreaming that you're missing me
I'm waiting here at home
I'll go crazy, now you're gone
There's an empty place in my heart
without my Anna it will break apart
it wont heal it never fades away
I will think about you everyday

[instrumental]

[Ready for takeoff]

now your gone
I realize my love for you was strong
And I miss you here now you're gone
I keep waiting here by the phone
with your pictures hanging on the wall
is this the way its meant to be
only dreaming that your missing me
I'm waiting here at home
I'll go crazy now you're gone

Now you're gone
I realize my love for you was strong
and I miss you here now you're gone
I keep waiting here by the phone
with the pictures hanging on the wall
is this the way it's meant to be

only dreaming that your missing me
I'm waiting here at home
I'll go crazy now you're gone
There's an empty place in my heart
without my Anna it will break apart
it won't heal, it never fades away
I will think about you everyday
