

# Move To Memphis (2015 Remastered)

[a-ha](#)

Walked around no one around  
You were the one who taught me better  
This old town brings me down  
You were the one who told me you've got to  
Move to Memphis  
That's what I'll do  
Move to Memphis and follow you  
Trace that highway down to your doorway  
Move to Memphis and be with you On the day you walked away  
I was the one who said  
You'd better stick around stay in town  
You were the one who told me you've got to  
Move to Memphis  
That's what I'll do  
Chase the shadow that follows you  
Trace that highway down to your doorway  
Move to Memphis and be with you That's what I'll do  
Move to Memphis to be with you  
I'm gonna be with you
