

# Remember Me

## Kutless

I looked in Your eyes and saw it for a moment  
The passion in Your cry, the chains of life are broken  
Put to death by Your people, You came to bring us life  
Only hope for the hopeless, will You remember me? I've been ashamed, I've been put down  
Head in my hands, my life on the ground  
Left Heaven to save liars and thieves  
Sinners like me, Your blood sets us free  
Who am I that You would remember me? Spent all of my years stealing from the world  
With everything I had yet I was still so poor  
You have everything to lose, but You're dying here with me  
I believe, I believe, will You remember me? I've been ashamed, I've been put down  
Head in my hands, my life on the ground  
Left Heaven to save liars and thieves  
Sinners like me, Your blood sets us free  
Who am I? Take what I have left, my Savior  
Take me with You from this cross  
When I leave this life completely  
Remember me I've been ashamed, and I've been put down  
Head in my hands, my life on the ground  
Left Heaven to save liars and thieves  
Sinners like me, Your blood sets us free I've been ashamed, and I've been put down  
Head in my hands, my life on the ground  
Left Heaven to save liars and thieves  
Sinners like me, Your blood sets us free  
Who am I that You would remember me?
