

# Spiderwebs

## Four Year Strong

You think that we connect  
That the chemistry's correct  
Your words walk right through my ears  
Presuming I liken' what I hear  
And now I'm stuck in the  
The web you're spinning  
You've got me for your prey Sorry I'm not home right now  
I'm walking into spiderwebs  
So leave a message  
And I'll call you back  
A likely story, but leave a message  
And I'll call you back  
You're intruding on what's mine  
And you're taking up my time  
Don't have the courage inside me  
To tell you please let me be Communication, a telephonic invasion  
I'm planning my escape... Sorry I'm not home right now  
I'm walking into spiderwebs  
So leave a message  
And I'll call you back  
A likely story, but leave a message  
And I'll call you back And it's all your fault  
I screen my phone calls  
No matter who calls  
I gotta screen my phone calls  
Now it's gone to deep (Now, it's gone too deep)  
You wake me in my sleep (Wake me in my sleep)  
My dreams become nightmares (Dreams become nightmares)  
'Cause you're ringing in my ears Sorry I'm not home right now  
I'm walking into spiderwebs  
So leave a message  
And I'll call you back  
A likely story, but leave a message  
And I'll call you back And it's all your fault  
I screen my phone calls  
No matter-matter-matter-matter who calls  
I gotta screen my phone calls Oooh, the spiderwebs  
Leave a message  
And I'll call you back

I'm walking into spiderwebs  
So, leave a message  
And I'll call you back  
It's all your fault  
I screen my phone calls  
No matter-matter-matter who calls  
I gotta screen my phone calls  
It's all your fault  
It's all your fault  
No matter who calls  
No matter who calls I'm walking into spiderwebs so,  
Leave a message  
And I'll call you back  
I'm walking into spiderwebs so,  
Leave a message  
And I'll call you back  
It's all your fault (I'm walking in the spiderwebs)  
No matter who calls (So leave a message and I'll call you back)  
I gotta screen my phone calls (I'm walking in the spiderwebs)  
It's all your fault (So leave a message and I'll call you back)  
No matter-matter-matter who calls (I'm walking in the spiderwebs)  
I screen my phone calls (So leave a message and I'll call you back)  
I'm walking into spiderwebs  
Leave a message and I'll call you back
