Indigo Girls

Title: Mariner Moonlighting
Artist: Indigo Girls
Album: Beauty Queen Sister Mariner Moonlighting
Building for keeps
The art of the theater
And joinery?? Something of wood and iron
Steady and strong
Joining of hearts is a trick far beyond me Cupids of heaven
Are painted to my hand
Cuz baby won't go (baby won't go)
Go for that show I read your name in charcoal
A century ago
I stood in the rafters
The world moved below All for the reverie
Of rigging and rope
Untangle the tempest of love
Is another man's calling The cupids of heaven
Are painted to my hand
Cuz baby won't go (baby won't go)
Go for that show Oh to be free
From the swell of the moon
To stand in one place
While she moves to you The cupids of heaven
Are painted to my hand
Cuz baby won't go (baby won't go)
Go for that show
