Heavenly

Daniel Kirkley

What if I could reach outside these walls?
What if I could loose my doubt
And rise above it all?For just a moment
To see what's waiting for me
And not be dreamingLook into the eyes of Jesus
And feel the touch of sweet forgiveness
Hear the voice that bids me come
Into His open arms I'll run
Oh, won't that be heavenly?To be known
To know You face to face
To be home
To let go of my fear
And know I'm safeFor just a moment
To see it as it will be
It's more than I could dreamLook into the eyes of Jesus
And feel the touch of sweet forgiveness
Hear the voice that bids me come
Into His open arms I'll run
Oh, won't that be heavenly?In one heartbeat
I'll feel the air of Heaven as it breathes in me
The strength to run, to fly
Not just a moment but for all time
Won't that be heavenly?Oh, He bids me come
Into His open arms I'll run
Oh, won't that be heavenly?Oh, what a day that will be
Won't that be heavenly?
Won't that be heavenly?
Won't that be heavenly?
