Suicide Doors

David Banner

Suicide door, Sui, Suicde door.x4
Suicide door, I'm clean in this bitch. Suicide door, Sui, Suicde door.x4
Suicide door, I'm clean in this bitch.
I could give a fuck about you niggas and you hatin' hoes.

Sittin' in a black Escalade got some suicide doors.
Inside Peanut butter, Peter Pan Brown.
I'm a country ass nigga with some dueces on the ground.
See the mother fucker hollow, when I'm skatin' beatin' down the street.
Sippin' on some purp while your baby mamma suckin' me.
