Hey! Hey! Stop! Hey!
Please, stop! Fuck! Stop!
Thank God you stopped
Fuck, my fucking On-Star isn't working
I left my fucking phone at home
God, I've been standing out here for like an hour
I'm soaking wet, freezing
Thank you so much
Really, you're a life-saver
What are you doing?
Fucking get away from me
What the fuck?
Fuckin asshole
Get away from me, you motherfucker
Get away
Get away you fuckin' freak
Get away from me
God damn it, fuck
Help me!
