If I Could

Caroline Dare

If I could
I'd be there in a heartbeat
I'd pack my bags
They'd be riding in the front seat
If I could, I wouldn't wait
Say the word and I'll be on my wayI'll take a plane, take a train
Take a truck or take a car
Cause when it comes to me and you
You can't go too far
Five thousand miles
Or right next door
I'll be close than before
I know I would
If I couldIf I could
I'd take a road trip to LA
Fly a one way ticket to the UK
If I could, you wouldn't be alone
Say the word, and I'll goI'll take a plane, take a train
Take a truck or take a car
Cause when it comes to me and you
You can't go too far
Five thousand miles
Or right next door
I'll be close than before
I know I would
If I couldI'd be there, just a minute
It's hard for me to think about
This world without you in it soI'll take a plane, take a train
Take a truck or take a car
Cause when it comes to me and you
You can't go too far
Five thousand miles
Or right next door
I'll be close than before
I know I wouldI'll take a plane, take a train
Take a truck or take a car
Cause when it comes to me and you
You can't go too far
Five thousand miles

Or right next door
I'll be close than before
I know I would
If I could
