Black And White

Static-X

Lost in my own World
Lost in my own World
Lost in my
Lost in my own World
Lost in my own World
Lost in myGetting to the right
Getting to the wrong
Getting mine
Getting to the right
Getting to the wrong
Getting highLosing your mind
Losing your mind
It's blurring
It's fading
Your soul's on fire
It's black and whiteBurning inside
Burning inside
Burning into white
Burning inside
Burning inside
Burning into nightYourself collides
Yourself collides
Yourself into mine
Yourself collides
Yourself collides
Yourself splinters likeLosing your mind
Losing your mindIt's blurring
It's fading
Your soul's on fire
It's black and whiteBlurring the light
Blurring the lightIt's ours for the taking
Flickering colors
It's black and white
