

The Real

[Tracy Bonham](#)

Aah, aah

Aah, aah

Aah, aahI know the sun's around to wake the dead

You've got if anything, a bigger head

Most likely to perform was who I knew

But now, it's you that I have to knowSilly, who you know has got away

Sweet little who you know lives in L.A

Most likely to conceive was who I knew

But now, it's you that I have to knowOnly the real world is so unreal

Only the real is realPocket the business card, be on your way

Pocket the smiling face and save the day

Most likely to perform was who I knew

But now, it's you that I have to knowOnly the real world is so unreal

Only the real is realOnly the real world is so unreal

Only the real is realAah, aah

Aah, aah

Aah, aah
