So Pray

Stacie Orrico

So pray, pray if You love me
And I'll go pray
I'll pray that You're okay
So pray, pray if You love me
And I'll go pray
I'll pray that You're okay
And I know that You've been watching me
And I know You are wondering why
Why it seems that I have been slippin'
Lately yet I say that I'm doing fine
If You really are concerned for me
Just know my mother taught me right from wrong
You see everything You need to know
Is right here in this song, yeah
So pray, pray if You love me
And I'll go pray
I'll pray that You're okay
So pray, pray if You love me
And I'll go pray
I'll pray that You're okay
And I see You when You're walking round
And Your head is hanging down
I can tell that You've been crying lately
'Cause Your face is always wearing a frown
I can see You wanna talk about it
But You don't know what to say
But I consider You a friend today
So I'll pray that God with make it okay
So pray, pray if You love me
And I'll go pray
I'll pray that You're okay
So pray, pray if You love me
And I'll go pray
I'll pray that You're okay
Well well
Yeah, yeah, yeah
If there's something that you must know
Yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah

If theres something that you must know
Yeah, yeah, yeah, yeah, yeah, yeah
So pray, pray if You love me
And I'll go pray
I'll pray that You're okay
