Psy

Hangover, hangover, hangover, hangover-over-over (Bend over)  
Hangover, hangover, hangover, hangover-over-over (Bend over)  
Party's over, it ain't over  
Try to make a bad memory over and over  
Hangover, hangover, hangover, hangover-over-over (Bend over)  
Hangover, hangover, hangover, hangover-over-over (Bend over)  
Party's over, it ain't over  
Can not find a single piece of me, game overHangover  
HangoverHangover, hangover, hangover, hangover-over-over  
Hangover, hangover, hangover, hangover-over-over (Bend over)  
Hangover, hangover, hangover, hangover-over-over  
Can not find a single piece of me, game overDrink 'till you're drunk  
Smoke like a broke stove  
Don't quit, take flight  
I can't remember last night  
It's aight, this the life of a superstar  
Sci-fi with that boy trooping hard, coupling cars  
Snoop be hard in the paint  
Drink another cup until I fall flat  
All lead and then some  
1-5-1, done dilly  
Really for sure that  
I'm throw back intoxicated  
Change over, game over, hangover, fadedBody, shit, miss

 Can not find a single piece of me, game over(Hey) Waking and baking, shaking the fleas  
 Caking and baking, raking the cheese  
 Early in the morning in the bathroom on my knees  
 Tipping and dripping, flipping the flow  
 Whipping and dripping a drink on the floor  
 This is the only way that I was taught a long time ago  
 Seoul, Korea, you'll see a G-a like me-a  
 Never would there ever be another like he-a  
 G-A-N-G-S-T-A, nothing left to say  
 I done smoked my whole day
