

# Louisiana Lady

## New Riders Of The Purple Sage

I been on this road for seven days  
And I'm so beat my vision's just a yellow haze  
But I know that I am gonna make it home tonight  
And then I'm gonna see my light Yeah, tonight I'll see my louisiana lady  
My louisiana lady's gonna  
Sleep with me tonight, and hold me tight  
Louisiana lady know that I need you  
Louisiana lady I love you  
Louisiana lady I love you Six more hours till I make new orleans  
I been doin' too much speed I'm feelin' down right mean  
And I think that I can cut an hour off the time  
If I keep lady on my mind Every man has got to earn his pay  
But I feel so bad each time I have to go away  
But when I get home tonight it's gonna be worthwhile  
I'm gonna see my lady smile
