

Love You Down

Houston

It never really mattered too much to me
That you were just too damned old for me
All that really mattered was you were my girlfriend
And baby, that's all that mattered to me Let me love you down, even if it takes all night
Let me love you down, you know it's gonna be so right Remember when I drove me home from work
I loved the way when you kissed me bye
All of your friends think I'm just too young for you
You tell 'em I can do what guys their age can do, oh baby Let me love you down, even if it takes all night
Let me love you down, you know it's got to be so right
Let me love you down, even if it takes all night
Let me love you down, you know it's got to be so right It never really mattered too much to me
That you were just too damned old for me
All that really mattered was you were my girlfriend
And baby, that's all that mattered to me, oh baby Let me love you down
Let me love you down, you know it's gonna be so right
Let me love you down
Let me love you down, you know it's gonna be so right
Let me love you down Let me love you
Let me love you
Let me love you down, I know, I know, I could
Let me love you down, I know it's gonna take all night Let me love you down, no, no, no, no
Let me love you down
Let me love you, come on, [Incomprehensible]
[Incomprehensible] Love you, down, down
Love you down, down, down, down
I know, I know, I could
Let me love you down It's just me and you the whole night through
Let me love you, baby, I know, I know, I could
Love you down, down
Let me love you, I know I can do it You're so sweet to me
Let me love down, oh baby
It's just you and me, baby, the whole night through
So let me love you down
