Saving All Your Love

Technotronic

Saving
Saving
Na na na listen
SavingAre you savin' all your love for me?
Saving all your love for me
Saving all your love for me
Are you keepin' it warm?Are you savin' all your love for me?
Saving all your love for me
Saving all your love for me
Are you keepin' it warm?Call me good, call me nice
Call me anything you want, baby
Could be wrong, could be right
Long as I know that you'll always be near meGirl I know that your love
Will last throughout all times
And I know that your love
Will stand the test of timesAre you savin' all your love for me?
Saving all your love for me
Saving all your love for me
Are you keepin' it warm?Are you savin' all your love for me?
Saving all your love for me
Saving all your love for me
Are you keepin' it warm?Saving, saving yeahSaving all your love for me
Saving all your love for me
Saving all your love for me
Saving all your love
